**Re: Case No. 2004-00149
Caldwell County Water District**

Dear Mr. Burford:

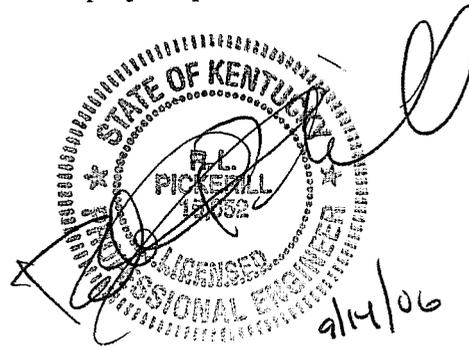

On behalf of the Caldwell County Water District, I am sending you the enclosed "as-built" drawings and this certification for the above referenced case number. The funding provided in the associated order funded construction of Phase 7 and Phase 7 Change Orders 1A and 1B. Clean up is still in progress but the work is substantially complete. Therefore I can certify the following statement:

"All work associated with Caldwell County Water District Water Main Extensions Phase 7, Phase 7 Change Order 1A and Change Order 1B has been substantially completed and said work is in accordance with the approved contract plans and specifications."

Should I you need any further information on this project, please feel free to contact me at (270)886-5466.

Sincerely,
Bell Engineering
